

GET-TOGETHER

22nd April 2017

Dear Course Magic & Showmanship Parents and Students

Our Magic & Showmanship students are progressing very well....in fact, so well we would like to get-together with parents and family and share some magic!

On **Saturday 13th May at 2.00pm** we will be holding a get-together for all our Magic & Showmanship students, parents and family. We invite the students to present a short close-up magic performance – no longer than 5 minutes – to entertain the gathering. Parents and family will be able to meet the staff. (Students will prepare over the coming weeks – they are also welcome to book a tutorial session at the office – one on one training with a member of staff – usually on weekday afternoons – but possible on Saturdays too - to help with act planning and preparation.)

We know this performance can be a little unnerving at first for some students – but we guarantee everyone will be glad that they have participated – and will be richly rewarded by the experience, not to mention having loads of fun. It is an important step towards their Junior Magicians Diploma!
