

COURSE GET-TOGETHER

3rd March 2018

Dear Course 1 and 2 Parents and Students

On Saturday 10th March we will be holding our course get-together.

This will enable parents to meet the staff and to enjoy an informal performance by their sons and daughters of some of the amazing magic that they have been learning. Family members are encouraged to attend. Each student is to perform his or her favourite effect (no longer than 3 minutes) at the event.
